

MEMORANDUM

DATE: 10/9/19
TO: MATT MOSS, INSPECTOR
FROM: RHONDA DOSSETT, COAL PROGRAM DIRECTOR
RE: BILL'S COAL 80/81-3113

Based on the ODM inspector report, dated 7/24/19, the termination of outstanding state violations, and the lack of federal violations, Bill's Coal 80/81-3113 meets Title V standards and should be removed from the ODM Inspectable Units List (IUL) as of Oct. 1, 2019.

No comments on this permit's review for Title V standards was received from OSM during the review timeframe (8/8/19 to 10/1/19).
