

**Safety-Gram**

**Title 45, Chapter 11**

April 2008

Volume 9, Number 4

**STATUTORY LAW**

**Section 418. – Loss of Life or Injury – Duty of operator and Inspector**

**Whenever loss of life or serious injury shall occur in or about an Oklahoma mine:**

**It is the duty of the operator having charge of the mine to report the loss of life or injury without delay to the Oklahoma Department of Mines.**

**It is the duty of the Oklahoma Department of Mines, if determined necessary, to immediately send a mine inspector to the scene of the accident and render such assistance as may be deemed necessary for the safety of the mine workers.**

**It is the duty of the Oklahoma Department of Mines to investigate and ascertain the cause of such loss of life or injury and make a report to the Director of the Oklahoma Department of Mines. A copy of this report shall be retained by the Oklahoma Department of Mines.**
