Reporting of Serious Injuries or Fatalities

Non-coal Rules: OAC 460:10-35-8. Serious injury or fatality report

(a) Whenever loss of life or serious injury shall occur in or about a mine, it shall be the duty of the operator of the mine to report the accident involving loss of life or injury without delay to the Department. It is the duty of the Department, if determined necessary, to immediately send a mine inspector to the scene of the accident, and make a report to the Department. Forms for reporting accidents shall be furnished by the Department. Any operator failing to notify the Department of a fatality or an injury in a timely manner shall be assessed by the Department a fine of up to five hundred dollars ($500.00).

(b) All mines regulated by MSHA must promptly provide copies to the Department of any accident reports that have been filed with MSHA.

What is a Serious Injury?

Serious Injury Means: “An injury which requires medical treatment and results in a loss of work time to the injured worker beyond the shift he or she was working when injured.”
